Participate at the cultural and culinary events throughout the seasons

Les grandes Tables are not only restaurants but places to meet with people, to share culture and food, and to reflect on cuisine and feeding habits. They meet with history, architecture, and the planning of the places where they are located. Therefore, Les grandes tables du château d'If, are conceived as an open door to Marseille, la Provence and the Mediterranean.

OUR CULINARY OFFER

Products and dishes of the region, full of Marseille history: fishes, chickpeas, dill, thyme and rosemary, vegetables and fruits of the Mediterranean sea, goat and sheep cheeses, honey, olives, basil, panisses...

Near source suppliers working on biological or sustainable agriculture.
